

Training Guide CUS007: Add Team Member

Learn how to invite a new team member to your company by adding their email and sending an invite.

Buynex

Step 1: Navigate to My Account (top right of the screen)

Step 2: Open the Company section, scroll down to Company Users and click Add New Invite

Step 3: Enter the team member's email address

Step 4: Click Invite Users

The user will now receive an email to set up their account and join your company
